

AT LOGHRIN GROUP

we know that creating a diverse, equitable, inclusive, and accessible environment is key to your success.

Our all-encompassing solutions are here to support you at every step of your DEI and Accessibility journey, making sure your efforts are both impactful and sustainable.

OUR SOLUTIONS

ASSESSMENTS

We offer comprehensive assessments that combine both quantitative and qualitative methods, including:

- **Surveys:** Gather insights straight from your workforce
- **Interviews & Focus Groups:** Dive deep with employee feedback
- **Reviews:** Understand your current state
- **Digital Audits:** Analyze your digital presence for accessibility

STRATEGY DESIGN, CONSULTING, AND COACHING

Our expert partners work with you to create custom strategies that fit your goals. Our services include:

- 1 Crafting **mission statements** and setting clear **objectives**
- 2 Developing **roadmaps** and **accessibility plans**
- 3 Creating **training plans** and implementing **digital remediation**

TRAINING

We offer engaging training sessions in various formats like webinars, workshops, and eLearning. Topics include:

- The fundamentals of DEI
 - Unconscious bias and allyship
 - Inclusive leadership and design
 - Identity, intersectionality, and privilege
 - Neurodiversity and belonging
 - Anti-racism
 - Navigating differences and accessible employment standards
 - Accessibility training: We want to make you a hero to your audience
 - Accessibility training for you and your organization
 - Expanding your talent pool through accessibility initiatives
- ...and more!*

Is getting internal support to boost your DEI and Accessibility efforts a priority?

Loghrin Group has the expertise and support you need to engage stakeholders and drive real change in your organization.
